

Bavorak Meeting March 10th 2010

1. Intro Welcome Bavorak riders and guests
 -
2. News
 - Top Story – None this month.
 - Area News – Pending factory approvals, Jeff Cooke has sold BMW/Vespa of Louisville to the auto group who owns Louisville and Bowling Green Harley-Davidson, deal tentatively closes later this month. One advantage will be that their stores are open 7 days a week, Jeff will stay on for 3-month transition, and they are reportedly a top-notch outfit.
 - Club News –
 - ◆ Texas hill country ride took place last month, and we're looking forward to hearing about that. Vlad shared some pictures, and apparently picked-up a nail, Steve, Dave or Bob will have to fill-in the rest...
 - ◆ Heaven & Hell ride scheduled for May 13-17, contact Vladimir for details.
 - ◆ Need to decide if meeting rides resume next month, and where we will meet.
3. Invitations
 - Who would like to put together a ride to LBL maybe eat at Patty's?
 - The only thing I can find about a road called “Little Dragon” is in California, does anyone know about one with that nickname in Kentucky?
4. Close - Lets eat!
