Curve Chasers

This route is designed for riders who enjoy a spirited ride on twisty roads. The emphasis here is not on outright speed, but on challenging the curves at an enjoyable pace. As always, *RIDE YOUR OWN RIDE!* Do not exceed a pace at which you feel comfortable, and do not feel pressured to "keep up.". The ride leader will pause at each point where the route turns onto a new road and will wait for the entire group to catch up before proceeding.
